AVAILABLE ACCESSORIES

MODEL 35602039

STACKING KIT WITH SLIDING SHELF

The universal stacking kit allows for safe and perfectly stable placement of your dryer above the washing machine, saving useful space in the home.

The 35602039 model features a practical sliding shelf, with safe stop and anti-tipping system that can hold up to 12Kg to help make loading and unloading easier. The shelf is also handy for folding laundry as you empty the dryer.

MODEL 35601864

STACKING KIT

Quick and easy to install, this kit requires no tools to assemble while its included securing strip and wall mount ensures a secure fitting even during spin cycles, leaving you in total security and peace of mind.

It fits most washing machines and tumble dryers easily (the kit is suitable to all standard-size appliances, from 47cm to 62cm of depth, even with rounded front).

PRODUCT INFORMATION
