We all adore the scrumptious smells that billow from your favourite dishes from the BBQ, but not when those smells hang around long after you are finished cooking. ILVE's BBQ range hood is designed to keep your outdoor living and entertaining area fresher and cleaner.

ILVE's BBQ range hood craftily stand above the rest. Its powerful high speed fan removes cooking odours, smoke and vapour, while the stainless steel baffle filters trap all grime and are easy to clean. In-built LED lights produce a natural brightness, illuminating your cooking area while the streamlined electronic control panel ensures quiet air extraction is at your fingertips. It is easy to see that ILVE Range hood's are built to extract!
